SKILLS SUMMARY

●●●● HTML & CSS

●●●● JavaScript

●●●● Java

●●●● Bootstrap

●●●● MySQL

●●●● Web Design

SOFT SKILLS

Good at art. I do digital paintings as a hobby.

PERSONAL PROFILE

I am an introverted but confident person who engages on topics that I am passionate about. I am a hard worker and am able to focus and prioritize necessary tasks. Also, I am good at computer programming.

WORK EXPERIENCE

Cashier

Mama's Kombuis (Coffee Shop) | 2015 - 2019

- Part-time weekend job.
- Duties were to take orders as well as help in the kitchen when I was needed.

Volunteer

Islamic Relief SA | PRESENT

- Islamic Relief SA is a **humanitarian NGO**.
- Duties are to volunteer whatever free time I have when there is a fundraising event.
- There are fundraising events most weekends.

EDUCATIONAL HISTORY

DARUL ARQAM HIGH SCHOOL

Bachelors Pass | Jan 2013 - Dec 2017

- Passed my matric with a Bachelors pass

UWC

BSc Computer Science (Incomplete)

- Beginning of my coding journey.
- Although I did not complete due to external factors mostly, this is where my interest in coding really started.
- I included this only because without this, I would not have been introduced to computer programming.
